

*A program of the National Military Family Association*

## **2009 Hold Harmless Agreement**

I, as a parent or guardian of this camper, understand that the *National Military Family Association* takes reasonable precautions to insure that *Operation Purple* programs and activities are conducted by qualified personnel in a safe and responsible manner. However, I further understand that these activities involve certain risks and may include, but are not limited to: horseback riding (including the inability to predict a horse's reaction to sound, movements, objects or animals, and the inability to predict the hazards of surface/subsurface conditions), ropes course, climbing, zipline, swimming, diving, water sports, land sports, archery, boating, scuba diving, bicycling, hiking, amusement park rides, bus trips, weather conditions, plants, insects and rugged terrain. I recognize these risks and agree to assume these risks by allowing my camper to attend an *Operation Purple* Camp and participate in these programs. I hereby release, indemnify and hold harmless the National Military Family Association, their officers, agents, and employees from all liability for damage, injury, death or illness to my camper or his/her property relating to or deriving from my camper's presence at an *Operation Purple* camp or participation in *Operation Purple* camp-sponsored trips and activities whether arising from an act or omission, negligent or otherwise, by the releasees or otherwise to the fullest extent permitted by law.

Permission is granted for my child to participate and I understand that by signing this form I am voluntarily and knowingly accepting responsibility for my child's participation in the *Operation Purple* program.
